Terms and Conditions

In 2023, the Young Writers Collective will be back to its original annual format.

The collective is designed to give each student the experience of working with four acclaimed artists across diverse genres and creating styles every year. To ensure students get the most out of the program, teachers are encouraged to enroll their selected group of students for the whole year. We will of course continue to accept bookings for individual terms.

The fee is \$120 per student for the year (one day per term) and the full 2023 invoice will be sent to schools in Term 1 based on the number of enrolled students.

Extra attending students will be invoiced at the end of each term.

Enrolled students unable to attend will be offered the options to attend on a different day of the week or to access online writing workshops when available.

Teachers will also be offered the option to replace students unable to attend with other students interested in the program. We hope you can appreciate that, as a non-for-profit organisation, we rely on bookings to offer this program and that refunds will not be available.

Based on Department of Education Guidelines for Local Excursions, we highly encourage and recommend teachers to exercise their duty of care obligations and accompany their group of students.

School groups of >10 Year 6-8 students and groups of >15 Year 9+ students should be accompanied and supervised by a school teacher, particularly in Terms 1 and 2 when the students are new to the program.

Photo/Filming Permission

Teachers, please be advised that the Centre will be filming and taking photos of participating students throughout the year during Young Writers Collective workshops. The photographs and short video compilations are used on our website for promotional purposes, in funding applications and occasionally used on our social media platforms. No student names are mentioned when content is posted on social media.

Should a parent/guardian NOT give permission for your student/s to be recognisable in our photos or videos please email us the student/s full names. You'll also be required to notify Centre staff on each of the participating Collective days which student/s do not have permission to be filmed and photographed.
