## Photo/Filming Permission Form

The Literature Centre will be filming and taking photos for promotional purposes for Young Writers Collective workshops throughout the year. The photographs and short video compilations are used on our website for promotional purposes, in funding applications and occasionally used on our social media platforms. Whilst no student names will be mentioned when content is posted to social media, we cannot guarantee that your child will not be able to be identified.

Any images captured by the Centre will not be kept any longer than is necessary for the above mentioned purposes and will be stored and disposed of securely.

Should you **NOT** give permission for your child/children to be potentially recognised in our photos or videos please sign below. You will also be required to **advise Centre staff** that your child/children are not to be filmed or photographed **on each of their Collective participation days**.

I **DO NOT** give permission to have my child/children included in photos or videos.
